### **CanPX Announces Formation of Advisory Committee and New Website Address**

**Toronto, November 18, 2010** – Today CanPX announced that it has established an Advisory Committee to represent the views of CanPX users and other stakeholders, and has also changed its website address to [www.canpxonline.ca](http://www.canpxonline.ca).

The Advisory Committee includes a cross-section of fixed income industry professionals from the buy and sell-side as well as a representative for retail investors and CanPX data vendors. The Committee will report directly to the CanPX Board and will offer direction on such areas as product development, pricing, distribution and governance. The Committee will also be responsible for providing input on the universe of corporate bonds for which CanPX provides transparency information.

CanPX Advisory Committee members include:

Hank Cunningham, Odlum Brown Limited  
Roger Casgrain, Casgrain & Company Limited  
Martin Flaemrich, CPP Investment Board  
Robin Hanlon, Gmarkets Inc.  
James Magee, Formerly of Shorcan Brokers Limited  
Richard Van Nest, RBC Capital Markets and CanPX President  
Jack Rando, Investment Industry Association of Canada (Secretary)

To contact the Advisory Committee, email [jrando@iiac.ca](mailto:jrando@iiac.ca) or call 416-687-5477

The website, [www.canpxonline.ca](http://www.canpxonline.ca), will be continually enhanced to ensure viewers are provided with useful information about CanPX.

#### **About CanPX**

CanPX is a joint initiative between several of Canada's leading investment dealers and inter-dealer brokers to provide transparency to the over-the-counter debt markets. CanPX is designated the Information Processor (IP) for Canada's corporate debt market. As IP, CanPX collects and consolidates trade and price data for over one hundred corporate debt securities as contributed by twelve of Canada's leading investment dealers. Separately, through its inter-dealer broker participants, CanPX also makes available price and trade information for a comprehensive list of government securities. For additional information please visit [www.canpxonline.ca](http://www.canpxonline.ca).
